PROJECT PROPOSAL	OSA-F05A

I. Project Proposal Title:

Robotics Workshop

II. Sponsor / Organization:

Icons

III. Date & Venue:

Date: September 11, 2026

Venue: Student Center

IV. Target Participants:

All CS Students

V. Background / Rationale:

This robotics 2 day workshop is an opportunity to explore different fieds. Creating an environment for innovations and science, this fosters the tech community and innovators minds.

VI. Objectives:

1. To expand knowledge in technology
2. To foster tech community
3. To open new knowledge

VII. UNSDGs:

SDG 4: Quality Education, SDG 9: Industry, Innovation and Infrastructure

VIII. Approach / Process:

On day 1, there will be seminar about Git, Github, and Python. The fundamentals, latest trends, and the uses of the said things in our llives.

Day 1:
8:00 - 10:00, Python
10:00 - 12:00, Git
12:00 - 1:00, Break
1:00 - 3:00, Git and Github
3:00 - 5:00, Open Forum and Activities

Day 2:
8:00 - 10:00, Robotics Introduction
10:00 - 12:00, Learning the Kit
12:00 - 1:00, Break
1:00 - 5:00, Robotics Activity

IX. Expected Outcomes:

Expand Tech knowledge
Raise Tech community
Inspire Innovators

X. Budget

a. Proposed Budget: PHP 4,800.00

#	Item	Qty	Unit Price	Amount
1	snacks	48	PHP 100.00	PHP 4,800.00
			TOTAL	**PHP 4,800.00**

c. Source of Funding: Icons fund / Registration
